EDUCATION CODE

Section 44227.2

44227.2. (a) The Legislature hereby establishes the Science, Technology, Engineering, Math, and Career Technical Education Educator Credentialing Program for purposes of providing alternative routes to credentialing.

(b) No later than June 1, 2010, the commission, in consultation with the Committee on Accreditation established pursuant to Section 44373, shall develop a process to authorize additional high-quality alternative route educator preparation programs provided by school districts, county offices of education, community-based organizations, and nongovernmental organizations. Organizations participating in this project may offer educator preparation programs for any science, mathematics, and career technical education credential type issued by the commission if the organization meets the requirements for being authorized pursuant to criteria established by the commission.

(c) The commission shall authorize community-based or nongovernmental organizations accredited by an accrediting organization that is recognized by the Council for Higher Education Accreditation and the United States Department of Education.

(d) Participating organizations shall electronically submit credential applications to the commission.

(e) The commission may assess a fee on a community-based or nongovernmental organization that is seeking approval to participate in the program. For purposes of this section, an independent college or university in California is not a community-based or nongovernmental organization.

(Amended by Stats. 2022, Ch. 301, Sec. 9. (SB 1057) Effective January 1, 2023.)
