2019 Wheat Programs

Choose A Strategy and Pricing Period That Fit Your Business

FCStone Aggressive:

Our team of experienced market professionals will dynamically assess market conditions and utilize a full range of strategies and products available to FCStone Merchant Services, LLC including OTC swaps, options and structured products to obtain a price for the grower to the best of its ability.

FCStone Conservative:

A rules-based program that uses a proprietary algorithm to execute a patient marketing plan. The algorithm sells slowly in low price environments and ramps up into market rallies. It is designed to outperform the market average in years with mid-season weather markets and strong downtrends.
