FINANCIAL AUDIT

Analysis of the Financial and Operating Practices of Union-Administered Benefit Funds with Fiscal Years Ending in Calendar Year 2019

FN20-118S

January 25, 2022

<http://comptroller.nyc.gov>

THE CITY OF NEW YORK
OFFICE OF THE COMPTROLLER
BRAD LANDER

January 25, 2022

To the Residents of the City of New York:

My office has analyzed the financial practices of 106 union-administered benefit funds that received approximately \$1.48 billion in City contributions during 2019. Benefit funds provide City employees, retirees and dependents with a variety of supplemental health benefits not provided under City-administered health insurance plans.

The purpose of this report is to provide a comparative analysis of the overall financial activities of union-administered benefit funds that received City contributions. The analyses contained in this report provide a means of comparing the operations of the funds and performance of fund trustees and administrators.

In summary, this report identifies the following financial issues:

- Certain funds spent a large percentage of their revenue on administrative expenses. Reducing administrative expenses would allow funds to increase benefits for members.
- Certain funds had large operating surpluses resulting in high reserves. Excess reserves may indicate that funds should increase members' benefits.
- Certain funds did not comply with various aspects of Comptroller's Directive #12 and of fund agreements with the City.

This report contains eight recommendations that are addressed to the funds' trustees and three recommendations to the Office of Labor Relations.

If you have any questions concerning this report, please e-mail my Audit Bureau at audit@comptroller.nyc.gov.

Sincerely,

Brad Lander

THE CITY OF NEW YORK OFFICE OF THE COMPTROLLER SPECIAL REPORTS

Analysis of the Financial and Operating Practices of Union-Administered Benefit Funds with Fiscal Years Ending in Calendar Year 2019

FN20-118S

EXECUTIVE SUMMARY

This report provides a comparative analysis of the overall financial activities of 92 union-administered welfare and annuity funds that in 2019 received approximately \$1.45 billion in City contributions for the benefit of active and retired City employees.¹ Such an analysis is prepared annually based on the independently audited financial reports and other information filed by the funds in accordance with New York City Comptroller's Directive #12 (Directive #12). This report aggregates the information reported by the funds and compares funds of similar type and size of City contribution in relation to the amounts spent on administration, operating surplus/deficits, benefits provided, and year-end reserves.²

Findings and Conclusions

In 2019, the 92 welfare and annuity funds spent nearly \$118.1 million (5.28 percent on average) of their total revenue on administration as compared with \$113.5 million (7.01 percent on average) in 2018.

Of the 92 funds, in 2019:

¹ For 2019, the City contributed approximately \$1.48 billion to 106 union-administered funds that were required to submit Directive #12 filings. However, we limited the computation of category averages and other financial analyses in this report to 92 of the funds, which received \$1.45 (98 percent) of \$1.48 billion in total City contributions. The remaining 14 funds, 11 of which received a total of \$29.38 million (2 percent) of the City's contributions in 2019, along with 3 funds that failed to submit their required audited financial statements for 2019, were excluded from the analysis for different reasons which are detailed in the Scope of Analysis section of this report, and on page 4 of Exhibit B.

² The Comptroller's Office issued Directive #12 to ensure uniform reporting and auditing requirements for union-administered benefit funds that receive contributions from the City. The Comptroller's Directives are used to establish policies governing internal controls, accountability, and financial reporting. The Comptroller is not, however, a regulator with remedial powers charged with enforcing fiduciary obligations under a rubric of laws and regulations akin, for example, to the United States Department of Labor or the New York State Department of Financial Services.

- 1 welfare fund incurred an operating deficit of \$1.7 million, which reduced their available reserves.
- 11 welfare funds and 12 annuity funds expended 30 percent higher-than-average amounts for administration than other funds of a similar type and size.
- 8 welfare funds, 7 of which maintained high reserves, expended 20 percent lower-than-average amounts for benefits than other funds of a similar type and size.
- 1 welfare fund had benefit expenditures that exceeded its revenue, causing the fund to dip into its reserve.

In summary, we identified the following financial issues in one or more of the funds that should be addressed by those funds:

- Expenses that exceeded revenues, resulting in operating deficits;
- Administrative expenses that exceeded the average for that category of fund; and
- Operating surpluses that resulted in higher-than-average reserves.

The analysis also identified other areas of concern, which include:

- 19 funds received “qualified” opinions from their independent auditors.³
- 50 funds did not submit their Directive #12 reports within the prescribed time frame.
- 61 funds did not use a certified public accountant (CPA) firm listed on the Comptroller’s prequalified list as recommended by Directive #12.
- 1 fund continues to delay benefit eligibility for new members in violation of its agreement with the City of New York.⁴

Recommendations

As a result of our analysis, we make 11 recommendations, 8 to the trustees of individual funds and 3 to the Office of Labor Relations (OLR):

- Trustees of funds with higher-than-average administrative costs as a percentage of total revenue should reduce administrative expenses and determine whether the savings can be redirected to increased benefits for members.
- Trustees of funds with lower-than-average benefit expenses as a percentage of total revenue should determine whether their revenues can support increased benefits for members.
- Trustees of funds with low reserve levels should take steps to ensure that their funds remain solvent. To accomplish that goal, funds should seek to reduce administrative expenses. If that is not possible or does not provide sufficient funds to ensure solvency, the trustees should attempt to reduce benefit associated costs.

³ CPAs may render one of the following opinions on a fund’s audited financial statements: Unqualified, Qualified, Adverse and Disclaimer. Descriptions of each of these types of CPA opinions can be found on page 26.

⁴ District Council 9 Painters Industry Welfare Fund delays benefit eligibility for 90 days for new members.

- Trustees of the fund that incurred an operating deficit should ensure that anticipated benefits and administrative expenses do not exceed projected total revenue.
- Trustees of funds with higher-than-average reserve levels, particularly those who spend less than average amounts of their revenue on benefits, should consider enhancing their members' benefits.
- Trustees should ensure that annual submissions to the Comptroller's Office showing the funds conditions and affairs are made within nine months after the close of a fund's fiscal year-end as required by Directive #12.
- Trustees should consider contracting with CPAs that are listed on the Comptroller's prequalified list.
- Trustees of the fund who delay members' eligibility for benefits beyond their first day of employment must revise the fund's policy to comply with its union's welfare fund agreement with the City.
- OLR should use the information in this report to ensure that the trustees of the funds who received qualified opinions from their independent accountants correct the conditions cited.
- OLR should consider withholding City contributions from funds that failed to submit their Directive #12 filings to the Comptroller's Office or failed to otherwise abide by the terms of that Directive and/or their welfare fund agreements with the City.
- OLR should recover the portion of the City's contributions that corresponds to the number of employees whose coverage was delayed and the period of such delay, whenever a fund improperly delays the provision of benefits to members after their first day of City employment.

This report has identified 15 funds that as of 2019 had potential financial issues that should be addressed by fund management as shown in the chart on the following page.

Legend

- N - Currently Not at Risk of Insolvency
- ST – Short-term Risk of Insolvency within 1 - 3 years
- LT - Long-term Risk of Insolvency greater than 3 years
- N/A – Not Applicable

* A ratio estimating the number of years that a fund can operate before being "in the red" if all factors remain constant. For example, the number "101" would indicate the fund has approximately one year before becoming insolvent.

** See Table XXI where the specific issue for each fund with a "Qualified" opinion is detailed. CPAs may render one of the following opinions: Unqualified, Qualified, Adverse, or a Disclaimer (see page 26).

REPORT OF ANALYSIS

Background

New York City has provided health insurance benefits to its employees since 1947. Since 1966, the City has provided active employees, retirees, and their families with basic health and hospitalization coverage, among other benefits. As a result of collective bargaining with the unions that represent City employees, the City also agreed to the establishment of union-administered benefit funds, to which the City contributes, so that employees can be provided with additional health and other benefits beyond those provided by the City. In some cases, separate funds were established for retirees. For certain workers, in addition to contributing to the union-administered welfare funds, the City contributes to union-administered annuity funds that provide lump sum payments at retirement.

Pursuant to collective bargaining agreements, the City's contributions to the union-administered benefit funds are placed in legally established trusts and are administered by trustees appointed by the unions or associations that represent the employees. City officials are not directly involved in the administration of those funds.

The determination of the types of benefits to be provided to members, the amounts paid, deductibles, and other terms of the operations and benefits provided is at the discretion of the trustees'. The benefits provided are listed in the fund agreements between the City and the unions. Some funds now provide legal assistance and educational activities in addition to health benefits. Other funds, such as the Uniformed Officers' Funds, receive additional City contributions to operate Civil Legal Representation Funds that provide various types of legal services to their members. Some funds are self-insured; other funds provide most of their benefits through insurance companies.⁵ Typical benefits provided by funds to members and their families include:

- dental benefits—including regular exams;
- optical benefits for examinations and eyeglasses;
- prescription drug reimbursement;
- life insurance; and
- supplemental health and hospitalization.

Fund managers have a fiduciary responsibility to provide optimum benefits to members while keeping administrative costs to a minimum. A fund that accumulates excessive reserves or expends large amounts for administrative costs does not achieve its basic goal of providing optimum benefits to members.

In 2019, the City contributed approximately \$1.48 billion to 106 union-administered active and retiree welfare and annuity funds.⁶ The annual contribution to each welfare fund varied based on its union's collective bargaining agreement with the City. This year, 27 benefit funds that each received more than

⁵ Of the 106 funds, only four funds reported using insurance companies to provide more than 80 percent of their benefits. Together, those insured funds received only \$1.58 million (less than 1/10 of one percent) of the \$1.48 billion in NYC Contributions paid in 2019. Insured funds pay premiums to insurance companies, such as The Hartford for life insurance; GHI Dental for Dental benefits; Davis Vision for Optical benefits; and AFLAC for Cancer Benefits, and these insurance companies pay all member claims. The remaining 102 funds are self-insured. The self-insured funds may also pay premiums to insurance companies for some of their benefits (up to 20 percent of total member benefits), but most member claims are paid directly by the funds. In addition, self-insured funds may employ a third party company (i.e., Administrative Services Only) to process the claims.

⁶ Some unions offer education, legal services, and disability benefits through separate funds. For purposes of this report, we consolidated these separate funds with the welfare-benefit funds for their respective unions.

\$10 million from the City accounted for \$1.28 billion (86 percent) of the City's total contributions as shown in Table I.

* This cutoff figure is arbitrary and used for descriptive purposes only.

** Fund Abbreviations: ADM = Administration Fund; AF = Annuity Fund; CLRF = Civil Legal Representation Fund; ED = Education Fund; Legal = Legal Services Fund; RWF = Retiree Welfare Fund; and WF = Welfare Fund.

*** The difference between Total Revenue and New York City (NYC) contributions consists of revenue from interest, dividends, other employer contributions, miscellaneous income, and gains/losses on investments.

**** This Fund was excluded from the analysis because it received a substantial portion of its revenues from sources other than the City (see page 4 of Exhibit B).

***** The \$1.48 billion in total contributions excludes NYC contributions made to three funds (Captains Endowment Assoc. CLFR, LEEBA AF and LEEBA WF/RWF) that failed to submit complete Directive #12 filings, including required audited financial statements for 2019.

Table II categorizes the number and types of funds that received contributions from the City in 2019 by size.

Table II
Number and Categories of
Benefit Plans in Survey in 2019

NYC Contributions Revenue Category	Active and			Total NYC
	Retiree	Annuity	Total	Contributions
Up to \$1 million	12	8	20	\$8,923,761
\$1 million to \$3 million	18	4	22	43,260,249
\$3 million to \$10 million	13	11	24	132,973,226
\$10 million to \$20 million	11	5	16	233,310,822
More than \$20 million	10	0	10	1,027,723,064
Funds in Survey	64	28	92	\$1,446,191,122
Funds excluded from this analysis because they would have distorted the results	10	4	14	\$29,378,161
Total All Funds	74	32	106	\$1,475,569,283

As of the end of the funds' 2019 fiscal years, net assets available for plan benefits for the 106 benefit funds totaled \$13.5 billion, including nearly \$3.6 billion for the 74 welfare funds and \$9.8 billion for the 32 annuity funds.

City Interest in the Operation of Benefit Funds

Although City officials do not regulate or administer the funds, their benefit fund agreements with OLR require all union-administered benefit funds that receive City contributions to comply with Directive #12. First published in 1977, Directive #12 provides uniform reporting and auditing requirements for all benefit funds. In 1997, Directive #12 was revised to include provisions that modified fund reporting requirements, required assessments of consultant services, modified the criteria for contracting services through competitive bids, and expanded the requirements for hiring independent certified public accountants (CPA) to audit the funds. Directive #12 was updated in December 2014 to update contact information and to include electronic submission of annual filings. (Appendix A contains the Directive #12 in use during Fiscal Year 2019.)

The benefit fund agreements, along with Directive #12 reporting requirements, help the City, the funds, and their members monitor the funds' financial and operating activities. Accordingly, the following requirements are imposed:

- The fund trustees are required to keep accurate records in conformity with generally accepted accounting principles (GAAP).
- Each fund must be audited annually by an independent CPA selected by the trustees. Directive #12 strongly recommends that funds select these CPAs through a competitive proposal process and that funds contract only with firms listed on the Comptroller's prequalified list of CPAs.
- Each fund must send an annual membership report that summarizes its financial condition to all fund members.

- Nine months after the close of its fiscal year, each fund’s trustees must submit its annual filing to the Comptroller’s Office showing the fund’s “condition and affairs” during its fiscal year.⁷ The filing must contain information as prescribed in Directive #12, including a CPA audited financial statement and annual membership report.

In addition to providing a uniform reporting mechanism, Directive #12 requires that the funds’ CPAs prepare and submit management letters commenting upon weaknesses in internal and management controls that were identified during their audits. Also, the funds must submit detailed information on administrative and benefit expenses. Further, Directive #12 requires that each fund submit an annual trustee representation letter signed by all trustees that provides key information about the fund including: a listing of all consultants and other outside professional service providers paid on a fee or commission basis; amounts paid to trustees and the highest paid fund officers/employees; investment policies; travel policies; and fund tax returns. The funds are also subject to further audit by the Comptroller’s Office.

Objectives

Our objective was to provide comparative data on the overall financial activities of 92 of the 106 union-administered active and retiree welfare, education, legal, and annuity funds that received City contributions during the funds’ Fiscal Year 2019 and submitted data to the Comptroller in accordance with Directive #12.⁸

Scope of Analysis

The purpose of this report is to provide a comparative analysis of the overall financial activities of the funds and their benefits. The individual analysis also supplement the independent CPA audits by providing additional information to assess the performance of the fund trustees and administrators with reference to fund expenditures. This report is based upon Fiscal Year 2019 financial reports and other information filed by the 103 funds with the Comptroller’s Office, as required by Directive #12.⁹ (See Exhibit A for a list of funds with their official and abbreviated names.)

We reviewed the financial information for the 103 benefit funds. However, we limited the computation of category averages and other financial analyses to 92 funds, which received \$1.45 (98 percent) of \$1.48 billion in total City contributions, while providing benefits to the bulk of the City’s work force during Fiscal Year 2019. The remaining 14 funds, which received a total of \$29.4 million (2 percent) of the City’s contributions in 2019, were excluded for different reasons: 7 funds received more than 90 percent of their revenue from sources other than the City; 1 fund included other groups that received substantial revenue from sources other than the City; 1 College Scholarship Fund provided benefits only to public high school students; 2 funds had fiscal year-ends that differed from those of their associated welfare funds;¹⁰ and 3 funds failed to submit the required 2019 Directive #12 filings. (See Exhibit B for Revenues, Expenses and Fund Balances information on the 103 funds.)

This report compares certain aspects of the 92 included funds and identifies operational norms and deviations during Fiscal Year 2019. The report’s analyses are based on the financial activities of benefit

⁷ The main component of the “condition and affairs” is the financial statements, which are audited and certified by an independent CPA firm. Most of the other documents (i.e., Administrative and Benefit Expense Schedules) include various calculations derived from information contained in the financial statements.

⁸ At the end of the report, Exhibit B has financial data for 103 of 106 funds (excludes the three funds that failed to submit their Directive #12 filings). Most of the funds’ fiscal years ended in either June or December 2019.

⁹ Directive #12 filings are generally received during the following calendar year because, according to Directive #12, the funds have up to nine months after the close of their fiscal years (some of which end on December 31) to submit the required documents.

¹⁰ These two funds, one Civil Legal Representation fund (CLRF) and one Education fund, had different fiscal year-end dates than their associated welfare funds so that consolidation would have distorted the information reported.

funds receiving contributions from the City during Calendar Year 2019. To perform these analyses, we computed 10 category averages to compare each of the 92 funds to funds of similar type and size of City contribution as shown in the chart below. Our results can then be used by fund trustees and administrators to perform their own internal analyses.

Comparative Analysis: Categories of Similar Funds

CAT	FUND TYPE		CITY CONTRIBUTION	FUNDS	TOTAL
1	Active & Retiree Welfare Funds	Self – Insured Benefits	Up to \$1 million	8	64
2			\$1 million to \$3 million	18

8			\$1 million to \$3 million	4	
9			\$3 million to \$10 million	11	
10			More than \$10 million	5	
TOTAL					92

This report's tables, exhibits, and appendices can be a starting point for fund trustees and administrators to identify areas for cost reduction or other appropriate action to ensure financial solvency. No conclusions should be drawn from any single exhibit in this report. For example, even though an exhibit might show that a particular fund's benefit expenses exceeded its revenues, it may not be a problem if the fund has sufficient or high reserves. On the other hand, funds incurring high administrative costs relative to other funds of a similar size should review their costs carefully and reduce them whenever possible.

Our examination was performed in accordance with the City Comptroller's responsibilities under Chapter 5, §93, of the New York City Charter, and under the provisions of agreements between the City and the individual unions.

FUND EXPENSES

For purposes of this report, benefit expenses include costs directly associated with providing benefits to members, or other payments to professionals who provide direct services to members, such as attorneys who provide legal services to members, instructors who conduct in-house training for members, and physicians who examine members for worker's disability purposes. Administrative expenses include salaries for fund employees, insurance company retention fees,¹¹ overhead costs involved in doing business (e.g., costs associated with processing claims), rent for office space and office expenses, professional fees paid for legal, accounting, and consultant services, and expenditures for travel and conferences. (See Exhibit C for a breakdown of Administrative Expenses.)

In 2019, nearly \$118.1 million (5.28 percent on average) of total revenue was spent on administering the 92 funds as compared with \$113.5 million (7.01 percent on average) for 92 funds in 2018. The largest single component — salaries for administrative and clerical staff totaling \$51.6 million — represented 43.7 percent of total administrative expenses. Other major administrative expenses included \$20.5 million for consultant services, \$12.9 million for office-related expenses, \$10.8 million for investment and custodial services, \$11.0 million for rent, \$5.9 million for legal, accounting, and auditing services, \$2.1 million for insurance and \$683,905 for insurance retention (administrative) charges.

For comparison of fund expenses, operating deficits and reserve levels, we categorized the funds into the following three groups:

- Self-insured welfare funds for active members and retirees;
- Insured welfare funds for active members and retirees (we classified a fund as insured if at least 80 percent of its benefits were provided by insurance companies rather than directly by the fund); and
- Annuity funds.

Current funds' agreements do not specify what portion of the funds' total revenue may be reasonably spent on administrative expenses. In the absence of such guidelines, we calculated the average for each category (based on funds of similar size) to enable us to identify those funds whose administrative expenses deviated significantly from these averages. Table III indicates, by category, the average amount and percentages of total revenue expended by the 92 funds on administrative costs and the range of such percentages in 2019.

¹¹ In health insurance, the retention fee is the fraction of the premium amount which goes toward administrative costs.

Table III
Average Amount, Percentage of Total Revenue and Percentage Range
Spent on Administration* by Fund Category

Self-Insured Active and Retiree Welfare Funds:

<u>NYC Contributions</u>		<u>Average</u>		
<u>Revenue Category</u>	<u>Funds</u>	<u>Amount</u>	<u>Percent</u>	<u>Percentage Range</u>

Up to \$1 million	8	\$78,161	4.02%	1.43 to 13.12%
\$1 million to \$3 million	3	472,366	1.04	0.71 to 5.42
\$3 million to \$10 million	11	913,871	3.00	1.02 to 8.09
\$10 million to \$20 million	6	820,973	2.81	0.60 to 5.87
Overall Average 2019	28	\$571,343	2.46%	
Overall Average 2018	28	\$507,834	7.04%	

* Our analysis of the administrative expenses reported on the financial statements is evaluated uniformly for the purpose of our report. In order to ensure uniformity, at times we may be required to reclassify specific expenses (e.g., insurance retention) to achieve this goal.

Welfare Funds: Administrative Expenses

Welfare funds provide benefits on a self-insured or insured basis. Whether a fund is self-insured or insured significantly affects the level of its reported administrative expenses. Self-insured funds categorize claim processing costs as administrative expenses, while insured funds include most claim processing costs as part of their insurance premiums and thus are categorized as benefit expenses. Therefore, reported administrative expenses of self-insured funds are generally higher than those of insured funds. To make comparisons between self-insured and insured funds more meaningful, we transferred insurance company retention charges to administrative costs whenever possible. Table IV lists 12 self-insured and insured welfare funds that spent at least 30 percent higher-than-average of their revenue on administrative expenses in 2019.

Table IV

Without full audits of the individual welfare funds, it is not possible to determine why these funds incurred higher or lower than average administrative costs when compared with their category averages.

Annuity Funds: Administrative Expenses

In addition to contributing to the active and retiree welfare funds, the City contributes to annuity funds for uniformed employees and other specific workers on active duty. These funds pay out annuities upon a covered employee's termination from City service. The amounts of the lump sum distributions are based on the value of the covered employees' accounts and can include City contributions plus interest and dividends, investment appreciation (depreciation), or other income.

Annuity funds differ from active and retiree welfare funds in that they derive a significant portion of their total revenue from investment income and generally provide only one type of benefit. The percentages of revenue that annuity funds spend on benefits and administration is not comparable to the percentages spent by active and retiree welfare funds; therefore, we computed category averages for the 28 annuity funds covered in this report separately from those calculated for active and retiree welfare funds. Table VI highlights the 11 annuity funds that spent at least 30 percent higher-than-average of their revenue on administrative expenses in 2019.

Table VI

Without full audits of the individual annuity funds, it is not possible to determine why these funds' administrative costs exceeded their category averages. Nevertheless, as a general matter, reducing administrative expenses would increase the members' equity and result in larger annuity payments to members.

High Percentage Increases and Decreases in Revenue Spent on Administration

There may be many reasons why administrative expenses change significantly from one year to the next. For example, funds may contract with providers (e.g., accountants, attorneys, and consultants) in one year and not another, or trustees may change the basis of expense allocations between the union and the fund. However, without full audits of the individual funds, it is not possible to determine whether changes in administrative expenses reflect improvements or deteriorations for the funds, or neither. Table VII shows 9 funds that have increased the percentage of their revenues spent on administration by at least 30 percent from 2018 to 2019. Table VIII shows 14 funds that reduced the percentage of their revenues spent on administration by at least 30 percent from 2018 to 2019.

Administrative Expenses versus Total Expenses

Administrative expenses are directly related to benefit expenses and volume since an increased number of claims processed could result in a need for increased staffing, greater personnel costs and more supplies and ancillary costs. Table IX illustrates the category average percentages of administrative expenses to total revenue and to total expenses.

Table IX
Administrative Expenses as a Percentage of
Total Revenue and Total Expenses

Self-Insured Active and Retiree Welfare Funds:

<u>NYC Contributions</u>		<u>Percentage of</u>	
<u>Revenue Category</u>	<u>Funds</u>	<u>Revenue</u>	<u>Expenses</u>
Up to \$1 million	8	20.22%	27.33%
\$1 million to \$3 million	18	11.06	14.81
\$3 million to \$10 million	13	6.78	8.93
\$10 million to \$20 million	11	7.77	9.80
More than \$20 million	10	5.98	8.05
Overall Average 2019		60	6.52%
Overall Average 2018		60	7.41%

Insured Active and Retiree Welfare Funds:

<u>NYC Contributions</u>		<u>Percentage of</u>	
<u>Revenue Category</u>	<u>Funds</u>	<u>Revenue</u>	<u>Expenses</u>
Up to \$1 million	4	10.22%	12.98%
Overall Average 2019		4	19.22%
Overall Average 2018		4	13.70%

Annuity Funds:

<u>NYC Contributions</u>		<u>Percentage of</u>	
<u>Revenue Category</u>	<u>Funds</u>	<u>Revenue</u>	<u>Expenses</u>
Up to \$1 million	8	4.02%	9.83%
\$1 million to \$3 million	4	1.04	4.12
\$3 million to \$10 million	11	3.00	7.71
\$10 million to \$20 million	5	2.81	6.86
Overall Average 2019		28	2.46%
Overall Average 2018		28	5.15%

EXPENDITURES FOR BENEFITS

The City has not established guidelines for welfare funds regarding the percentage of annual revenue that should be spent on benefits. In the absence of such guidelines, we calculated category averages for the funds listed below in Table X to illustrate the average amount and percentages of total revenue expended by funds on benefits. Wherever funds insured some or all of their benefits, we reduced the total premiums by the retention charges and other overhead costs involved in doing business (e.g., costs associated with processing claims) to calculate net benefit expenses.

Table X
Percentage of Total Revenue
Spent on Benefits by Fund Category

Self-Insured Active and Retiree Welfare Funds:

<u>NYC Contributions</u> <u>Revenue Category</u>	<u>Percentage of</u> <u>Revenue</u>
Up to \$1 million	53.76%
\$1 million to \$3 million	63.62
\$3 million to \$10 million	69.16
\$10 million to \$20 million	71.50
More than \$20 million	68.38
Overall Average 2019	68.78%
Overall Average 2018	75.58%

Insured Active and Retiree Welfare Funds:

<u>NYC Contributions</u> <u>Revenue Category</u>	<u>Percentage of</u> <u>Revenue</u>
Up to \$1 million in 2019	68.49%
Overall Average 2019	68.49%
Overall Average 2018	88.24%

Although these percentages do not indicate the quality of benefits provided, they do provide a benchmark for comparison and further study. (Exhibit D at the end of this report indicates the amounts expended and the types of benefits provided by each fund.)

Some funds spent more on benefits than the average for funds within their category and others spent less. Table XI lists 16 funds whose benefit expenses exceeded the averages in their respective categories by at least 20 percent.

For example, NYC Municipal Plumbers & Pipefitters Welfare Fund exceeded its category average in 2019, as the Fund paid out more in benefits to members (\$6,936,260) than it received in total revenue (\$5,348,895). As a result, by the end of 2019, the Fund had a deficit of \$1,710,527 and its reserves declined to \$4.7 million.

Table XI

Local 1180 CWA Municipal Mgt WF/RWF/Legal/ED/ADM	68.06	81.83	20.24

Fund officials need to examine the relationship of benefit expenditures to total revenues to ensure the fund achieves a proper balance. (See Table XVII for one fund with operating deficit and declining reserve for more details.)

In contrast, Table XII lists 8 funds whose benefit expenses were below their respective category averages by at least 20 percent. In such instances, the funds may wish to consider enhancing their members' benefits, especially if their fund reserves are large.

Table XII
Self-Insured and Insured
Active and Retiree Welfare Funds
with Low Benefit-to-Revenue Ratios

Benefits as a Percentage of Total Revenue

<u>Fund Name</u>	<u>Category Average</u>	<u>Fund</u>	<u>Percentage Deviation from Category Average</u>
Local 306 Municipal Employees WF	53.76%	22.60%	(57.96%)
Local No. 5 MNCPL Employees Benefit Trust Fund	53.76	26.58	(50.55)
New York State Nurses Assoc Child/Elder Care Fund	69.16	38.54	(44.28)
Local 15, 15A, 15C Operating Engineers WF/RW	53.76	39.80	(25.97)

Local 300 Civil Service Forum WF	63.62	47.95	(24.63)
New York State Nurses Assoc Ed Fund	69.16	49.12	(28.97)

The benefit expenses for the funds listed in Table XIII exceeded total revenue, causing the fund to dip into their reserves. The use of reserves for benefits may indicate that the benefits provided were not evaluated in relation to the resources available to the fund.

Table XIII
Self-Insured and Insured
Active and Retiree Welfare Funds with
Benefit Expenses That Exceeded Their Revenue

<u>Fund Name</u>	<u>Total Revenue</u>	<u>Benefit Expense</u>	<u>Percentage of Revenue Spent on Benefits</u>	<u>2018-2019 Percentage Decrease in Reserves</u>	<u>Ending Fund Balance 2019</u>
<u>Self-Insured: \$3 million to \$10 million</u>					
NYC Municipal Plumbers & Pipefitters WF	5,348,895	6,936,260	129.68	(26.69)	4,697,670

Fund trustees should carefully examine the relationship of benefit expenditures to revenues. If a fund overspends on benefits, it may use up necessary reserves. If a fund underspends on benefits, it may provide insufficient benefits for its members while building unnecessary reserves. The funds should achieve a proper balance.

RESERVE LEVELS

Reserves held by self-insured and insured active and retiree welfare funds provide a cushion if claims for benefits exceed revenues in any particular year. Reserves accumulate when fund revenues exceed fund expenses. (See Exhibit B.) These amounts are separate and distinct from any amounts held by insurance carriers. Table XIV shows the reserve averages for each category.

Table XIV

Average Amount of Reserves
and Percentage of Reserves to

Self-Insured Active and Retiree Welfare Funds:

<u>NYC Contributions Revenue Category</u>	<u>Funds</u>	<u>Average Amount</u>	<u>Percent of Total Revenue</u>
Up to \$1 million	8	\$1,625,516	297.00%

OPERATING DEFICITS

In 2019, 1 of the 64 (1.6 percent) active and retiree welfare funds in our analysis incurred operating deficits totaling \$1.7 million, as shown in Table XVII.

Table XVII
Funds with Operating Deficits and Declining Reserves

<u>Fund Name</u>	<u>2019 Operating Deficit</u>	<u>2019 Reserves</u>	<u>2018 Reserves</u>	<u>2018-2019 Percentage Decrease in Reserves</u>
NYC Municipal Plumbers & Pipefitters WF	\$1,710,527	\$4,697,670	\$6,408,197	(26.69%)

We identified nine welfare funds that have significantly low levels of reserves in relation to their total expenses. In identifying these funds, we considered the funds' year-end cash reserves, their 2019 years' operating result, and the ratios of their reserves to the funds' total expenses. Table XVIII lists the funds that may have future solvency problems.

* Negative amounts indicate funds with operating deficits in 2019.

** Indicates funds who also had low reserve levels in 2018.

High reserve levels may indicate that funds do not spend enough of their total annual revenue on benefits. Low reserve levels may point to excessive amounts of revenue spent on benefits and administrative expenses.

ANALYSIS OF TOTAL REVENUE

In 2019, the 64 welfare funds in our survey had revenue totaling \$1.56 billion. Expenses for these funds totaled \$1.17 billion — \$101.4 million for fund administration and \$1.06 billion for benefits to members. The \$389.3 million surplus (revenues over expenses) increased the funds' reserves.

In previous sections, we analyzed the funds' usage of their total revenues. Table XIX identifies 19 funds that, when compared with averages for their categories, have high administrative costs and/or low benefit costs.

Boldface - fund had high administrative expenses and/or low benefit expenses in 2019.

The basic objective of a welfare fund is to provide benefits to its members while keeping administrative costs to a minimum. Funds that accumulate excessive reserves or expend large amounts for administration at the expense of members' benefits do not achieve their basic objective. Therefore, the trustees of these funds should evaluate how they expend total revenue and best ensure that the objective of the welfare fund is met.

Funds Should Address Financial and Operating Issues to Ensure Maximum Use of Revenue and Continued Financial Solvency

In summary, we identified financial issues that, in our opinion, should be addressed by the fund management. Specifically, these include:

- Expenses that exceeded revenues, resulting in operating deficits. Operating deficits could deplete fund reserves, which could ultimately lead to insolvency.
- Administrative expenses that exceeded the averages for other funds in the same category. Reducing administrative expenses would provide more reserves to increase benefits for members.
- Operating surpluses that resulted in high reserves. Excess reserves may indicate that funds should increase members' benefits.

Fund managers have a fiduciary responsibility to their members. A fund that accumulates excessive reserves or expends large amounts for administrative costs is not achieving its basic goal of providing optimum benefits to members while achieving financial solvency. Accordingly, the trustees of the funds listed in Table XX should evaluate how fund resources could be better used.

Table XX (previously included in the Executive Summary) lists 15 funds with potential financial issues in 2019 that, in our opinion, should be addressed.

Legend

- N – Currently Not at Risk of Insolvency
- ST – Short-term Risk of Insolvency within 1 – 3 years
- LT – Long-term Risk of Insolvency greater than 3 years
- N/A – Not Applicable

* A ratio estimating the number of years that a fund can operate before being “in the red” if all factors remain constant. For example, the number “101” would indicate the fund has approximately one year before becoming insolvent.

** See Table XXI where the specific issue for each fund with a “Qualified” opinion is detailed. CPAs may render one of the following opinions: Unqualified, Qualified, Adverse, or a Disclaimer (see page 26).

EXCEPTIONS ON FUND OPERATIONS

In accordance with Comptroller's Directive #12, each fund must annually engage an independent CPA to issue an opinion on financial statements prepared by the funds. Accompanying that opinion, the CPA must issue a management letter that comments on the fund's management practices and internal control systems. In 2019, some of the management letters identified internal control issues that could affect the financial statements. Based on our review of the funds' financial statements, the opinions and management letters submitted by the CPAs, and the booklets distributed by the funds describing their benefits, we found that a number of funds did not comply with certain aspects of Directive #12 and their agreements with the City.

CPA Opinions

As noted, CPAs audit, certify and render opinions on the funds' financial statements. The fund agreements between the City and the unions require the preparation of each fund's financial statements on the accrual basis of accounting and in conformity with GAAP. CPAs may render one of the following opinions:

<u>Opinion</u>	<u>Description</u>
Unqualified	Financial statements present fairly, in all material respects, the financial position, results of operations, and cash flows of the entity in conformity with generally accepted accounting principles.
Qualified	Except for the effects of the matter(s) to which the qualification relates, the financial statements present fairly, in all material respects, the financial position, results of operations, and cash flows of the entity in conformity with generally accepted accounting principles.
Adverse	Financial statements do not present fairly the financial position, results of operations, or cash flows of the entity in conformity with generally accepted accounting principles.
Disclaimer	The auditor does not express an opinion on the financial statements.

Of the 92 funds in this analysis, 73 funds received unqualified opinions and 19 funds received qualified opinions. Table XXI identifies the 19 funds that received qualified opinions from their independent auditors in 2019. These included 17 funds that had financial statements that were not presented in accordance with GAAP because post-retirement and other benefit obligations were excluded on the funds' financial statements; and 2 funds whose "[f]inancial statements do not present information regarding the Plan's accumulated plan benefits and changes in accumulated plan benefits." Of the 19 funds, 17 also received qualified opinions from their independent auditors in 2018.

Table XXI
Funds that Received Qualified Opinions or Disclaimers
from their Independent Auditors

Superior Officers Council (Police) RWF	Qualified	Financial statements do not present information regarding the Plan's accumulated plan benefits and the changes in accumulated plan benefits.
Superior Officers Council (Police) WF/CLRF	Qualified	Financial statements do not present information regarding the Plan's accumulated plan benefits and the changes in accumulated plan benefits.
United Probation Officers Assoc RWF	Qualified	Excludes postretirement benefit obligations.*

* These funds' financial statements received qualified opinions because they continued to exclude postretirement benefit obligations contrary to Government Accounting Standards Board Statement No. 43, Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans ("GASB No. 43").

Funds that received qualified opinions from their independent auditors should take immediate action to correct these problems.

Late Submission of Directive #12 Reports

In 2019, 50 of the 106 funds (47 percent) in our analysis failed to make timely submissions of their Directive #12 reports to the Comptroller's Office. Comptroller's Directive #12 requires that within nine months after the close of a fund's fiscal year, each fund's trustees must submit a report to the City Comptroller showing the fund's condition and affairs during its preceding fiscal year. Included in the fund's annual Directive #12 filing is an audited financial statement and a CPA-prepared management letter commenting upon internal and management controls that were assessed during the CPA audit. Further, Directive #12 also requires that each fund comment on management matters such as investment policies, bidding practices, staff utilization, and accounting allocations. The Directive #12 reports provide a basis for a comparative analysis of fund operations and for the identification of deviations from the norm.

Of the 50 late submissions of Directive #12 reports:

- 3 funds failed to submit their reports with audited financial statements for 2019;
- 3 funds submitted their reports between six months and one year after their due dates;
- 25 funds submitted their reports between three and six months after their due dates; and
- 19 funds submitted their reports less than three months after their due dates.

Table XXII lists the three funds that did not submit their Directive #12 reports in 2019 and the three funds that submitted their reports in excess of six months after their due dates.

Table XXII

NYC Muni. Steamfitters & Steamfitter Helpers WF	12/31/19	09/30/20	03/30/21	181

Fund trustees and administrators have a contractual responsibility to submit their Directive #12 reports on time. The information generated as a result of a Directive #12 report provides a basis for our comparative analyses of fund operations to identify deviations from the norm. The timely release of this comparative analysis allows those funds that deviate from the norm to take corrective action and evaluate how fund resources could be better used.

CPAs Were Not Selected from Comptroller's Prequalified List

Directive #12 recommends that funds should only contract with CPA firms that are listed on the Comptroller's prequalified list. CPA firms on the prequalified list are registered with the New York State Education Department to practice in the State of New York and have had a peer review within the last three years. The peer review is performed to determine whether the firm's system of quality control for its accounting and auditing practice is designed to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects and whether it is in fact followed. The peer review must be conducted in accordance with American Institute of Certified Public Accountants (AICPA) Standards and the firm must receive a rating of *pass* or *pass with deficiencies*.

By contracting with a CPA firm on the Comptroller's prequalified list, the funds will have assurance that the CPA firm has had a system peer review and received a passing peer review rating. Our review found that only 42 funds (41 percent) of the 103 funds that submitted a Directive #12 filing in 2019 selected a CPA firm on the Comptroller's prequalified list. (See Exhibit F for a list of the 61 funds that did not use a prequalified CPA firm.)

Eligibility Delay

The intent of the standard benefit fund agreements between the City and the unions is that welfare fund benefits will be available to all members of the collective bargaining unit during each member's entire period of employment with the City.

Specifically, the standard fund agreements between the City and the unions state:

The Union agrees to provide from the Fund for each Covered Employee the supplementary benefits described in the schedule annexed to this Agreement marked as Appendix 'C', for the period of employment with the City of each such Covered Employee during the term of this Agreement, whether or not any payment or payments made to the Union pursuant to the formula prescribed in section 2(c) of this Agreement actually included the full sum prescribed by Appendix 'B' on account of such Employee during the twenty-eight (28) day cycle for which such payment or payments are made.

Thus, funds should make their members eligible for benefits beginning on their first day of employment with the City. However, as has been repeatedly noted in prior years' Welfare Fund Reports, one fund (District Council 9 Painters Industry Welfare Fund) delays eligibility for its new members for 90 days.¹² Since 2007, OLR has advised that fund that its eligibility rules are not in compliance with the welfare fund agreement signed by the parties and that the fund must provide coverage effective on a member's first day of employment. We confirmed that the fund continues to delay eligibility for its members as stated in Note 1 of the fund's 2019 audited financial statement. Consequently, members or their dependents who may need benefits during the fund waiting period cannot obtain them.

¹² Our analysis focused on the delay to new employees enrolled in welfare benefit funds (active) because the members of retiree funds and annuity funds already qualify to receive benefits when they leave active service.

CONCLUSIONS AND RECOMMENDATIONS

Administrative and Benefit Expenses

There continues to be a significant variance in administrative costs as a percentage of total revenue among comparable funds—based on levels of City contributions—for both insured and self-insured funds. Concurrently, some funds spend a significantly lower percentage of their revenue on benefits compared with other funds.

Recommendations

1. Trustees of funds with higher-than-average administrative costs as a percentage of total revenue should reduce administrative expenses and determine whether the savings can be redirected to increased benefits for members.
2. Trustees of funds with lower-than-average benefit expenses as a percentage of total revenues should determine whether their revenues can support increased benefits for members.

Reserves

One fund incurred an operating deficit and maintained a very low level of reserve, which may indicate potential future solvency problems. Other funds continue to maintain extremely high levels of reserves.

Recommendations

3. Trustees of the fund that maintains a low reserve level should take steps to ensure that the fund remains solvent. To accomplish that goal, the fund should seek to reduce administrative expenses. If that is not possible or does not provide sufficient funds to ensure solvency, the trustees should attempt to reduce costs associated with benefits.
4. Trustees of the fund that incurred an operating deficit and maintained a low level of reserve, should ensure that anticipated benefits and administrative expenses will not exceed projected total revenue.
5. Trustees of funds with high reserve levels, particularly those whose funds that spend less than average amounts of their revenue on benefits, should consider enhancing their members' benefits.

Exceptions on Fund Operations

As in previous years, we identified various funds that do not comply with all aspects of their unions' agreements with the City and with Directive #12.

Recommendations

6. Trustees of funds are required to submit to the Comptroller's Office an annual report showing the fund's condition and affairs in accordance with Directive #12 and that submission must be filed within nine months after the close of a fund's fiscal year-end. Trustees should ensure that these filings are submitted timely in accordance with Directive #12.

7. Trustees of funds should consider contracting with CPAs that are listed on the Comptroller's prequalified list.
8. Trustees of funds that delay members' eligibility for benefits beyond their first day of employment must revise their fund's policy to comply with their union's welfare fund agreement with the City.
9. OLR should use the information in this report to ensure that the trustees of the relevant funds correct the conditions cited in qualified opinions received from their independent accountants.
10. OLR should consider withholding City contributions from all delinquent funds that failed to submit their Directive #12 reports to the Comptroller's Office or fail to otherwise abide by the terms of that Directive and/or their welfare fund agreements with the City.
11. OLR should recover from the fund the portion of the City's contributions that corresponds to the number of employees whose coverage was delayed and the period of such delay, whenever a fund improperly delays the provision of benefits to members after their first day of City employment.

N/A - Fund did not specify the Number of NYC Members

NOTE: The above listed funds have been excluded from this analysis because:

- (1) These funds received a substantial portion of their revenues from sources other than the City.
- (2) This fund would distort the category average since it includes other groups' that received a substantial portion of their revenues from sources other than the City.
- (3) Under the United Federation of Teachers' collective bargaining agreement, scholarship benefits are paid only to public high school students.
- (4) These funds had different fiscal year-end dates than their associated welfare funds so that consolidation would have distorted the information reported.
- (5) These funds failed to submit audited financial statements for 2019 as required.

THE CITY OF NEW YORK
OFFICE OF THE COMPTROLLER

INTERNAL CONTROL AND ACCOUNTABILITY DIRECTIVES

DIRECTIVE #12: EMPLOYEE BENEFIT FUNDS

INTRODUCTION

This Directive sets forth accounting, auditing, and financial guidelines for employee and retiree Benefit Funds, which receive contributions from The City of New York. It also establishes detailed information reporting requirements for the Funds and their boards of trustees. All Benefit Funds that receive contributions from The City of New York are required to conform to this Directive's provisions.

The accounting, auditing, and reporting requirements prescribed herein vary in accordance with the amount of funding the Benefit Fund receives from the City. Benefit Funds are divided into two funding level categories: those with New York City Contributions less than \$300,000 (Level I); and those with \$300,000 or more in New York City Contributions (Level II).

This Directive is issued pursuant to the authority of the Office of the Comptroller, as provided in Chapter 5, Section 93 of the [New York City Charter](http://www.nyc.gov/html/dycd/downloads/pdf/citycharter2004.pdf).
(<http://www.nyc.gov/html/dycd/downloads/pdf/citycharter2004.pdf>)

Note: Directive #12 provides guidelines for both Municipal (12A) and Non-Municipal (12B) Labor Committee Union Employee Benefit Funds. Only Non-Municipal Benefit Funds must include a Multi-Employer Analysis Schedule.

1. GENERAL INFORMATION

1.1 Directive Organization

The Directive is divided into the following primary sections:

[General Information](#)
[Definitions](#)
[General Guidelines and Requirements](#)
[Annual Reporting Requirements](#)
[Independent Annual Audit](#)
[Trustee Representation Letter](#)
[Federal ERISA Reporting Requirements](#)
[Annual Report to Fund Membership](#)
[Supporting Schedules](#)
[Appendices](#)

1.2 Effective Date

This Directive is effective immediately and supersedes the previous version, issued in February 1997.

1.3 Assistance

Questions or comments concerning this Directive should be addressed to: The Office of the Comptroller, Attention: Directives/Policy Unit, Bureau of Accountancy, Municipal Building, One Centre Street, Room 200 South, New York, NY 10007, (212) 669-3675, email: directives@comptroller.nyc.gov.

1.4 Comptroller's Internal Control and Accountability Directives

An inventory of existing [Comptroller's Internal Control and Accountability Directives](#) is available on the [Comptroller's Website](#).

2. DEFINITIONS

This Section defines the key terms used in this Directive.

2.1 Benefit Fund

Benefit Funds consist of any welfare or annuity fund that receives contributions from The City of New York. Examples of Benefit Funds include supplemental health care, educational, legal benefit, annuity, and civil/legal representation funds. Benefit Funds may be for either active or retired New York City employees.

2.2 New York City Contribution

The New York City Contribution is the total of the direct payments The City of New York is required, pursuant to applicable collective bargaining agreements, to make to a Benefit Fund on behalf of relevant employees and retirees.

The City of New York, as used herein, is a reference to its constituent agencies, which are defined in the [New York City Charter](#), Chapter 52, Section 1150, Sub-Division 2.

2.3 Benefit Expense

Benefit expenses, as used herein, are the direct costs of providing benefits. These costs include:

1. Claims paid by the Fund for self-insured benefits.
2. Insurance premium payments, less any retention charges.
3. The cost of providing medical referral services.
4. Salaries or other payments to:
 - a) Attorneys who provide direct legal services to members.
 - b) Instructors who conduct in-house training for members.
 - c) Physicians who examine members for workers' disability purposes.
 - d) Other professionals and consultants who provide services directly to members.

2.4 Administrative Expense

Administrative Expenses are all those costs that are not Benefit Expenses, including, but not limited to:

1. Salaries and allowances for the Fund's administrative support staff.
2. Rents and other occupancy costs.
3. Insurance policies for offices, equipment, and other general business purposes.

4. Fees paid to third party or Fund administrators for administrative purposes.
5. Miscellaneous fees and commissions.
6. Insurance company retention charges.

2.5 Insurance Retention Charges

Insurance Retention Charges represent the portion of the insurance premiums retained by an insurance company to recover the administrative costs of handling benefit payments. Retention charges are applicable only to insured welfare plans.

[Back to the Beginning of the Directive](#)

3. GENERAL GUIDELINES AND REQUIREMENTS

3.1 Supplementary Benefit Agreements

The supplementary benefit agreements between The City of New York and the labor unions establish the Comptroller's authority to audit and request specific information from the Benefit Funds, and describe the Funds' underlying reporting responsibilities.

The agreements require, in part, that Benefit Funds maintain accurate records and books of account in conformance with Generally Accepted Accounting Principles (GAAP), file annual trustees' statements with the Office of the Comptroller containing substantiation and other information that the Comptroller shall prescribe, as per individual Fund supplemental agreement, and obtain annual independent audits of their financial statements. The agreements also specify the Comptroller's right to audit all Benefit Fund expenditures.

The agreements also set forth conflict of interest guidelines. These guidelines provide that Benefit Funds, and all Fund trustees, officers, and employees are prohibited from directly or indirectly receiving, in connection with the solicitation, sale, service or administration of a Benefit Fund contract, any payment, commission, loan or other thing of value from any entity or individual. In addition, Benefit Fund trustees, officers, or employees may not directly or indirectly receive any payment, commission, loan service, or any other thing of value from the Benefit Fund, except that such person may receive employee benefits to which he or she is otherwise entitled, and reasonable compensation for necessary services and expenses rendered or incurred in connection with official duties.

Many of the financial, accounting, auditing, and reporting guidelines in this directive replicate, or are derived from, supplementary benefit agreement terms and conditions.

3.2 Accounting Standards

Every Benefit Fund that receives New York City Contributions is required to maintain adequate books of account and related records that will enable it to prepare complete and auditable financial statements on an accrual basis of accounting in conformity with GAAP.

3.3 Comptroller's Internal Control and Accountability Directives

It is recommended that all Benefit Funds for which the New York City Contribution is \$300,000 or greater (Level II Funds) comply, where applicable, with the Internal Control and Accountability Directives issued by the Office of the Comptroller.

3.4 Spending Guidelines

Benefit Funds should ensure that New York City Contributions are spent appropriately and monitored carefully. This includes:

1. Restricting their use only for expenditures and programs that directly or indirectly benefit fund members.
2. Carefully controlling Administrative Expenses and ensuring that they do not exceed a reasonable percentage of total Benefit Fund revenue.
3. Ensuring that spending for Benefit Fund employee salaries, fees paid to trustees, and fees or commissions paid to professionals and service providers are not excessive or unreasonable in relation to the service or product received.
4. Using competitive processes to the greatest degree practicable to procure goods and services.

In addition:

1. Political and charitable contributions of any kind paid from the New York City Contribution or related investment earnings are prohibited.
2. Payments on Benefit Fund contracts or other obligations generally must be made by check drawn on the Fund payable directly to the creditor, beneficiary, or obligee. Payments, that are not customarily paid by check, including, but not limited to, electronic transfers and imprest fund expenditures, are permissible.

3.5 Service Provider Assessments

The services rendered by consultants shall be assessed at least once every two years. The assessments shall be reported in the board's official minutes and attached to the trustees' representation letter.

It is further recommended, that the work of consultants and all individuals or organizations, with the exception of medical service providers, which are paid for services rendered on a fee or commission basis, be assessed each year with the results reported in the board's official minutes and attached to the trustees' representation letter.

3.6 Investment Policy and Procedures

Trustee Representation Letter

Level II Benefit Funds must attach a copy of their investment policy to the trustee representation letter, along with the trustees' certification that the Fund has complied with its policy and procedures.

Investment Policy Recommendation

To ensure that idle monies are invested judiciously, appropriately safeguarded, and accounted for fully, it is recommended that the board of trustees:

1. Ensures that the Fund has a written investment policy that describes the permissible types of investments and the guidelines to be adhered to for each investment type. The policies and procedures should also cover, as appropriate, compliance with ERISA investment guidelines and any statutory or legal restrictions, collateralization, the use and selection of financial institutions such as depositories, custodians and trusts, and the use and selection of financial advisors.
2. Conducts annual reviews of the Fund's compliance with the investment policies and procedures.
3. Ensures that the investment policy and procedures are periodically reviewed and revised, as necessary, to reflect changes in available investment opportunities and market conditions.
4. Establishes a trustee investment committee that includes the Fund's chief fiscal officer, to oversee the investment function.
5. Ensures that internal accounting and procedural controls provide an environment that encourages adherence to the Fund's investment policies and procedures. The internal controls should:
 - a) Separate the investment authorization and accounting functions.
 - b) Ensure that investment transactions are fully recorded at an appropriate level of detail.
 - c) Mandate that all transactions are based on written authorizations.
 - d) Regularly report on all investment activity to Trustees.
 - e) Provide for the bonding of appropriate Benefit Fund staff.

3.7 Travel Policy

The board of trustees must establish a written travel policy, which sets forth reasonable standards for all out-of-town travel and attendance at conferences, seminars, and other events. In addition to establishing guidelines describing when, and for what purposes, travel is appropriate, and expenditure limitations for transportation, lodging, meals and other expenses, the policy must require the board of trustees' advance authorization of all out-of-town travel.

The travel policy, at a minimum, must:

1. Prohibit first-class travel.
2. Provide that reimbursement of expenses will be made only upon submission of a completed request, with supporting documents attached.
3. Require persons authorized to travel on Benefit Fund business to report to the board of trustees describing the benefits derived from the trip. The reports must be incorporated in the board's official minutes. It is recommended that the reports be made in writing.

In addition, it is recommended that the travel policy:

1. Place limitations on the number of individuals who attend, as well as the number of times individuals may travel each year, for non-essential purposes, such as attending general purpose training and educational courses, professional development courses, or industry conferences/trade shows.
2. Establish reasonable per diem rates, such as the [Federal General Services Administration's](#) per diem rates, by locality, for normal daily travel expenditures.
3. State that Level II Funds comply with the Comptroller's Internal Control and Accountability [Directive #6 – Travel, Meals, Lodging and Miscellaneous Agency Expenses](#).

Travel Reporting Requirements

A copy of the Fund's travel policy must be attached to the trustee representation letter. In addition, a summary of all trustee/staff expenditures for conference attendance and out-of-town travel must be submitted annually as part of the trustee representation letter.

3.8 Cost and Expense Allocations

Benefit Funds that share premises with related or other entities will have common Administrative Expenses such as rent, utilities, general management, and other general expenses. These costs should be allocated equitably for reporting and accountability purposes. The allocation must be made systematically, applied consistently from year-to-year, and must be reviewed annually. Staff salaries should be apportioned based on records that document the efforts devoted to each entity. An explanation of the Fund's allocation methodologies must be attached to the trustee representation letter.

3.9 Competitive Proposals for Insured Benefits and Other Services

Contracts for insured benefits, except for basic medical and hospital augmentations negotiated with the same insurer, must be awarded using a competitive proposal process. Benefit Funds must solicit at least three firms with the appropriate size, experience and qualifications to provide such benefits or services. The board of trustees must prepare a certification for each benefit or service contract which

states that a minimum of three proposals were solicited and discloses the date on which the Fund solicited the proposals and the names of all companies solicited. The certification must be included in the board's official minutes and be attached to the trustee representation letter.

It is recommended that Benefit Funds, with the exception of medical service providers, use a similar competitive proposal process to choose third party administrators and all other professional service providers.

Additionally, Funds should consider using the guidance provided in The City of New York [Procurement Policy Board Rules](#) and the Mayor's Office of Contracts' Rules Implementation Memoranda to assist in developing appropriate competitive proposal processes.

3.10 Comptroller's Audits

The Fund's books, records and accounts, including the full minutes of the board of trustees' meetings, are subject to review and audit by the Office of the Comptroller.

[Back to the Beginning of the Directive](#)

4. ANNUAL REPORTING REQUIREMENTS

This Directive requires Benefit Funds to prepare and submit a number of reports, copies of documents and other materials, to the Office of the Comptroller. **All required filings must be submitted annually, no later than nine months after the close of the Benefit Funds' fiscal year.**

4.1 Funding Levels Defined

Fund filing requirements vary according to the size of the New York City Contribution as indicated below:

- Level I - Benefit Funds for which New York City Contributions are less than \$300,000.
- Level II - Benefit Funds for which New York City Contributions are \$300,000 or more.

4.2 Reporting Requirements Summary

Subsequent sections of this Directive establish Benefit Fund reporting requirements that vary among the two funding levels. To assist boards of trustees and Benefit Funds, a synopsis of reporting responsibilities and requirements, by funding level, along with references to the appropriate sections of the Directive, is provided on the following page.

Reporting Requirements			
Report/Information	Directive Reference	Level I	Level II
Annual Independent Auditor's (CPA) Report	5	Yes	Yes
Statement of Net Assets Available for Benefits	5.3		
Statement of Changes in Net Assets Available for Benefits	5.3		
Footnotes to Financial Statements	5.3		
Auditor's Opinion on Financial Statements	5.4		
Administrative Expense Schedule	5.3/9.1		
Benefit Expense Schedule	5.3/9.2		
Auditor's Management Letter	5.7	Yes	Yes
Trustee Representation Letter	6	No	Yes
Fund Name, Address, etc.	6.1		
Trustee Names, Addresses, etc.	6.1		
Fund Administrator, Name, Address, etc.	6.1		
New York City Contribution	6.1		
Total Benefit Fund Revenue	6.1		
Number of City Employees/Retirees	6.1		
Percent NYC Employees to Total Fund Enrollment	6.1		
Allocation Methodologies	3.8/6.1		
Travel Policy	3.7/6.1		
Trustee/Staff Travel Report	3.7/6.1		
Payments to Trustees	6.1		
Payments to Top Five Officers/Trustees/Staff	6.1		
Fee/Commission Payments	3.5/6.1		
Benefit Plan Amendments	6.1		
Insurer Changes	6.1		
IRS 5500, 5500c or 990	7.0/6.1		
Investment Policies and Procedures	3.6/6.1		
Audit Contract	5.5/6.1		
ERISA Reports 5500 & 5500C (if filed)	7/6.1	Yes	Yes
Level I Fund Addendum	7	Yes	No
Annual Report to Fund Membership	8	Yes	Yes
Administrative Expense Schedule	9.1		
Benefit Expense Schedule	9.2		
Key Ratios Schedule	9.3		

4.3 *Filing Address*

All filings required by the Directive must be submitted electronically to:

Directive12@comptroller.nyc.gov

Or by mail to:

The City of New York
Office of the Comptroller
Bureau of Audit
1 Centre Street, Room 1310 North
New York, NY 10007

Attention: Ms. Auldith Abraham
(212) 669-8048

[Back to the Beginning of the Directive](#)

5. INDEPENDENT ANNUAL AUDITS

All Benefit Funds must prepare annual financial statements in accordance with GAAP. Financial statements must be audited annually by independent Certified Public Accountants (CPAs).

5.1 *Auditor Selection*

It is strongly recommended that independent certified public accountants be selected through the use of a competitive proposal process. Requests for proposals should be sent to at least three firms with the appropriate size, experience and qualifications to perform the audit. Requests for proposals should incorporate a copy of this directive.

In addition, it is recommended that:

1. The audit selection process is completed no later than 60 days after the beginning of the Benefit Fund's calendar or fiscal year. Timeliness in engaging CPAs is important to ensure that there is no break in continuity in the auditing process and, if necessary, to facilitate the transfer of information from one firm to its successor.
2. Benefit Funds contract only with firms included on the Office of the Comptroller's prequalified list of CPAs. A copy of the list may be obtained from the filing address listed in [Section 4.3](#) above.

5.2 *Audit Standards*

The audit must be conducted in accordance with Generally Accepted Auditing Standards (GAAS) as promulgated by the American Institute of Certified Public Accountants.

5.3 Audit Scope

The scope of the independent audit for all Benefit Funds must include the following:

1. Statement of net assets available for benefits.
2. Statement of changes in net assets available for benefits.
3. Footnotes to financial statements.

Funds where City contributions are \$300,000 or greater (Level II) are additionally required to provide an Administrative Expense Schedule (Appendix A) and Benefit Expense Schedule (Appendix B), which have been audited as part of the independent audit of the basic financial statements.

5.4 Audit Opinion

The auditor's opinion must state whether the financial statements are presented fairly in accordance with GAAP.

5.5 Audit Contract

It is strongly recommended that audit contracts not exceed four years in length. After four years, a new request for proposals should be issued. Additionally, for Level II Funds, if the same firm is awarded the contract in a subsequent four-year period, the audit firm should be required to assign a different senior manager and partner-in-charge. Benefit Funds are strongly encouraged not to award contracts to the same firm for more than two consecutive four-year periods.

The audit contract must require that the audit report be issued within nine months after the close of the Fund's calendar or fiscal year and must incorporate procedures, established by the Comptroller, for the Comptroller's audit of the Fund. Additionally, for Level II Funds, a copy of the audit contract must be attached to the trustee representation letter, and must specify that the audit work papers are subject to review by the Comptroller's Office.

5.6 Peer Review

The independent auditor must provide the Benefit Fund with copies of any peer reviews performed in accordance with the [AICPA Guides](#). The Benefit Fund should use the peer reviews as part of their evaluation in selecting an independent auditor.

5.7 *Management Letter*

Audit contract terms must include a requirement that the auditor issue a management letter when, in the CPA's professional judgment and as per AICPA guidelines, one is merited. The management letter must comment on any material weaknesses or reportable conditions in any of the five elements, which make up the Benefit Fund's internal control structure: control environment, risk assessment, information and communication, control activities, and monitoring. When appropriate, the management letter should contain recommendations to Fund management on how to improve the noted conditions.

In gaining an understanding of the Fund's internal control structure, the auditor should take special note of the following areas:

1. Adequacy of expenditure documentation and approval processes.
2. Expense allocations for Benefit Funds that share their premises with other organizations.
3. The adequacy and propriety of the Fund's investment policies and procedures, and of the Fund's compliance with them.
4. Competitive procurement practices.
5. Staff utilization, including the reasonableness of staffing in relation to workload requirements.
6. All other matters that the auditors consider appropriate for disclosure to the trustees.

If the independent auditors conclude that there are no material weaknesses, the management letter should so indicate.

[Back to the Beginning of the Directive](#)

6. TRUSTEE REPRESENTATION LETTER

The boards of trustees of Level II Funds must submit a trustee representation letter to the Comptroller annually, which summarizes the Benefit Fund's management policies and activities and provides key information about the Fund's operation. The trustee representation letter must be signed by all of the Fund's trustees and must include an affirmation that, under the penalties for perjury, in accordance with the supplemental agreement, the report is a true and accurate reflection of management's policies and the state of the Fund's affairs for the reporting period.

Level I Funds have abbreviated requirements, which are described in [Section 7](#).

6.1 *Trustee Representation Letter Requirements*

The trustee representation letter must contain:

- The Benefit Fund's name, address and telephone number.
- The names and business addresses of all board of trustee members.
- The Fund administrator's name, address, and telephone number.
- The total amount of New York City Contributions for the Fund's fiscal or calendar year.
- Total Benefit Fund revenue from all sources.
- The number of City employee and retiree members at year-end.
- The number of City employees and retirees expressed as a percentage of the total number of covered Benefit Fund members.
- For Benefit Funds that share premises, staff ,or other expenses with related or other entities, a description of all cost or expense allocation formulas, including an explanation of the allocation methodology and the basis for distribution ([Section 3.8](#)).
- A copy of the Fund's travel policy ([Section 3.7](#)).
- A summary of all expenditures for out-of-town travel and attendance at conferences for trustees and staff. The summary should include the name and position of the traveler/attendee, the dates of travel, the destination, the reason for the trip and the total expenditure ([Section 3.7](#)).
- A listing of all amounts paid to any trustee and a description of the work or services rendered.
- A statement disclosing the total remuneration for the five most highly paid individuals from among trustees, officers, and staff.
- The identification of all individuals or organizations paid on a fee or commission basis, including administrators, investment managers, attorneys, accountants, and other professional service providers. For each individual or organization, the provider's name and address, a description of the relationship, the fees paid and, if applicable, the amount of funds held or managed must be provided.
- For consultants, a copy of the official board minutes authorizing the hiring of each consultant and the trustees' biennial assessment of the consultants' performance ([Section 3.5](#)).
- For insured benefit contracts, certification of the competitive selection process as described in [Section 3.9](#).
- If any amendments were made to the benefit plan during the year, a copy of the new benefit booklet or other member notification. If there were no changes, the representation letter must state so.

- If any benefits were changed from third party insured to self-insured, or vice-versa, during the year, the reasons for the change, including a detailed explanation of the advantages and any expected cost savings.
- If required to file with the IRS, a copy of IRS Form 5500 or 5500C (or IRS Form 990).
- A copy of the Benefit Fund's investment policy and procedures and the certification described in [Section 3.6](#).
- A copy of the independent audit contract ([Section 5.5](#)).

6.2 Substitution of Statements or Filings

Funds may, in lieu of any specific requirement in [Section 6.1](#) above, substitute copies of statements or filings made pursuant to State or Federal Law. Each substitution must be clearly referenced to its corresponding requirement in [Section 6.1](#).

[Back to the Beginning of the Directive](#)

7. FEDERAL ERISA REPORTING REQUIREMENTS

Funds may choose to comply with the Employee Retirement Income Security Act of 1974's (ERISA) reporting guidelines for Benefit Fund expenditures and activities. ERISA requires that certain Benefit Funds, depending on membership size, file Internal Revenue Service Forms 5500 or 5500C. Funds choosing to comply with ERISA and which are required, under ERISA, to file 5500 or 5500C should provide an information copy to the Comptroller's Office with the trustee representation letter. At the Fund's discretion, a copy of IRS Tax Form 990 filing may be submitted, to the Comptroller's Office, instead of Forms 5500 or 5500C.

Funds with New York City Contributions under \$300,000, (Level I) must attach an addendum to the Comptroller's copy of Form 5500 or 5500C (or Form 990) with the following information:

- The number of City employee members and retirees at year-end.
- Total New York City Contributions for the year.
- Amendments to benefits. If amendments were made, a copy of the new benefit booklet or other membership notification. If there were no amendments, a statement to that effect.

8. ANNUAL REPORT TO FUND MEMBERSHIP

Each Fund is required to issue an annual report to its membership. A copy of the annual report, with cover letter, must be sent to each member of the Fund and be filed with the Office of the Comptroller. The annual report must advise the membership of the financial condition and operations of the Fund and advise the membership of significant changes and other important matters. At a minimum, the annual report must include a copy or a condensed version of the most recent independently audited financial statements. This requirement may be fulfilled by publishing the cover letter and report in a Fund authorized publication provided that the publication is mailed to each member individually.

9. SUPPORTING SCHEDULE REQUIREMENTS

All Benefit Funds are required to provide the following supporting schedules:

9.1 Administrative Expense Schedule

This schedule compares the Benefit Fund's Administrative Expenses for the last two fiscal years, however, three fiscal years of comparable data is required for any year that the result of the Benefit Fund's operations shows a deficit that exceeds five times the Fund balance. The format is provided in Appendix A. A narrative must also be provided by the board of trustees as an attachment, explaining any adverse trends from year to year, or any expense fluctuations in excess of plus or minus fifteen percent from the prior year. This schedule also requires the computation of Administrative Expenses as a percentage of total Benefit Fund revenue.

Benefit Funds with New York City Contributions under \$300,000 (Level I) must attach this schedule to the Comptroller's copy of the ERISA reporting described in [Section 7](#). All other Funds (Level II) must have this schedule independently audited and included as part of the annual audit report.

9.2 Benefit Expense Schedule

This schedule requests specific information for each benefit provided by the Fund. The format is provided in Appendix B.

Benefit Funds with New York City Contributions under \$300,000 (Level I) must attach this schedule to the Comptroller's copy of the ERISA reporting described in [Section 7](#). All other Funds (Level II) must have this schedule independently audited and included as part of the annual audit report submission.

9.3 Key Ratio Schedule

The Key Ratio Schedule requests the comparative analysis of certain Benefit Fund financial indicators for each of the last two years. The format is provided in Appendix C. Each Fund (Levels I and II) must submit this analysis as part of its annual reporting submission, due no later than nine months after the close of its fiscal year.

10. APPENDIX D: Multi-Employer Analysis Schedule

Appendix D provides the *Multi-Employer Analysis Schedule*. The Benefit Funds established and maintained by Municipal Labor Committee (MLC) unions, pursuant to collective bargaining agreements with The City of New York, have agreed to provide this supplemental information in a separate submission to the Comptroller's Office. All other Funds must submit it as part of the annual reporting requirements described in [Section 4](#) of this directive.

Multi-Employer Analysis Schedule

The Multi-Employer Analysis Schedule requires Funds to provide:

- The number of covered New York City employee and retiree members at year-end.
- The number of employee and retiree members for each of the Fund's five largest non-City contributors at year-end.
- The number of trustee and/or Benefit Fund employee members at year end.
- The employee and/or retiree member contribution rate for each of the Fund's five largest non-City contributors and for the trustees and/or Benefit Funds.

The format is provided in the following *Appendices* section. Each Fund (Level I and II) must submit this analysis as part of its annual reporting submission, due no later than nine months after the close of its fiscal year.

COMMONLY FOUND UNACCEPTABLE PRACTICES OF WELFARE FUNDS

<u>AREA</u>	<u>UNACCEPTABLE PRACTICE</u>
Benefit processing system	<ul style="list-style-type: none"> - Funds do not verify eligibility of employees' dependents. Documentation, such as marriage or birth certificates, is not reviewed before processing benefits for members' dependents.
	<ul style="list-style-type: none"> - Funds do not always check the eligibility database before processing benefit claims.
	<ul style="list-style-type: none"> - Funds paid benefits not in accordance with guidelines.
	<ul style="list-style-type: none"> - Funds pay claims without obtaining the proper documentation.
	<ul style="list-style-type: none"> - Funds improperly delay eligibility.
	<ul style="list-style-type: none"> - Benefit payments are made without being reviewed and approved by an individual other than the claims processor.
	<ul style="list-style-type: none"> - Coordination of benefits provisions are not properly applied.
Benefit administration	Funds do not maintain sufficient information concerning members' usage of benefits such as legal services and are therefore unable to assess the prudence of continuing to provide such benefits.
Allocation of common expenses	Expenses are allocated between funds and related entities without: <ul style="list-style-type: none"> - Funds establishing a reasonable basis for the allocation (i.e. contribution rate, number of participants, actual usage). - Funds maintaining supporting documentation that substantiates the percentage of expenses allocated.
Documentation for expenses	<ul style="list-style-type: none"> - Amounts expended by Funds do not have supporting documentation such as approved vouchers, bills and receipts.
	<ul style="list-style-type: none"> - Questionable expenses charged to fund.
	<ul style="list-style-type: none"> - Benefit expenses were not recorded by the Fund.
	<ul style="list-style-type: none"> - Payment to consultants did not specify service rendered, amount, method of compensation or period covered.

COMMONLY FOUND UNACCEPTABLE PRACTICES OF WELFARE FUNDS

<u>AREA</u>	<u>UNACCEPTABLE PRACTICE</u>
Travel and conference expenses	<p>Funds do not follow the following guidelines:</p> <ul style="list-style-type: none"> - The number of conference attendees is not kept to an absolute minimum. - Airfares or group rates are not paid directly to the sponsoring organization, or to the airlines or hotels. Reimbursements to trustees are made without adequate documentation. - Coach airfare or group rates are not used. - Reimbursements are made for personal expenditures (flowers, entertainment, etc.) - Meal advances are not limited. - Reimbursement for local transportation and meals are made despite failure to present properly documented expense vouchers. - Persons attending conferences do not submit written reports on the sessions they attended. - Summary reports were not discussed or recorded at Board of Trustees meetings. - Fund per diem expenses for trustees exceeded IRS guidelines. - Fund officials routinely have business lunches during the day with staff.
Payments to trustees	<ul style="list-style-type: none"> - Trustees received fixed monthly allowances. - Trustees did not submit documentation for such allowances. - Insufficient guidelines for paying trustees for performing fund work.
Written contracts	<p>Funds do not maintain written contracts or agreements with:</p> <ul style="list-style-type: none"> - Consultants - Accountants - Attorneys

COMMONLY FOUND UNACCEPTABLE PRACTICES OF WELFARE FUNDS

AREA

UNACCEPTABLE PRACTICE

<p>Competitive bidding for professional services</p>	<p>Funds do not competitively bid or consider alternative and benefit services providers for the following types of professional services:</p> <ul style="list-style-type: none"> - Consultants (actuary, computer, investments) - Attorneys - Fiduciary liability and bonding insurance - Third party benefit administrators
<p>Retention charges for insured benefits</p>	<ul style="list-style-type: none"> - The funds do not have a formal package of all the solicitation materials including a complete description of benefits, estimated retentions, and all conditions which the successful bidder must meet. - The person responsible for preparing bid specifications and/or compiling experience data needed for the formal bid solicitation is an independent consultant, dependent on commissions for compensation. - Retention charges, expressed as percentage of premiums are higher than the limits established by the NYS Insurance Department. - Commissions expressed as a percentage of premiums are higher than guidelines established by the NYS Insurance Department.
<p>Internal Controls</p>	<p>Funds do not maintain an adequate set of accounting records, including the following:</p> <ul style="list-style-type: none"> - General Ledger - Cash disbursements journal - Cash receipts journal <p>Funds do not:</p> <ul style="list-style-type: none"> - Stamp paid on all vouchers (indicating date and check number) - Segregate incompatible duties between personnel - Prohibit writing checks to cash or bearer

COMMONLY FOUND UNACCEPTABLE PRACTICES OF WELFARE FUNDS

<u>AREA</u>	<u>UNACCEPTABLE PRACTICE</u>
Significant Operating Deficits	- Substantial operating deficits have exhausted the fund's reserve.
	- Funds maintain inadequate level of reserves.
High Administrative Expenses	A significant larger percentage of total revenue was spent on administrative expenses, in comparison to other similar funds.
Investment Policy	Funds do not periodically review and update investment policies, and compare investments to these approved policies to ensure that monies are invested appropriately.
Postretirement benefits	The Funds financial statements do not present the Plan's obligation to provide health and welfare benefits to participants after retirements (postretirement benefit obligations) as required by generally accepted accounting principles. The effects of the omission of postretirement benefit obligation information of the Plan's financial statements are presumed to be material.
Other	- Cost savings analyses are not performed prior to major purchases (i.e. computer).
	- Work logs are not maintained by professionals to determine actual work performed and time spent.
Reporting Requirements	- Failed to submit Directive #12 filings to the Office of the NYC Comptroller within nine (9) months of the Fund's fiscal year-end.
	- Failed to issue audited financial statements in a timely manner.
	- Failed to send Fund members an annual report of the financial condition and operations of the Fund.
