All proceeds of maturing investments must be immediately redeposited in NOW or comparable demand accounts unless reinvested in accordance with the instructions of the Corporation.

(2) (a) Investment of the funds of the Corporation or any other monies under its custody and control not required for immediate use or disbursement, at the discretion of the Corporation, may be made in Investment Obligations of the State or the United States government or obligations, the principal and interest of which are guaranteed by the State or the United States government, or repurchase agreements, subject to the conditions set forth below, or money market deposit accounts, secured as set forth below, or in any other obligations in which the Comptroller of the State is authorized to invest pursuant to Section 98 of the State Finance Law. (vi) Subject securities must be delivered to the Investment Agent or its designated custodian bank.

(vii) Subject securities shall be valued to market at least weekly by the Investment Agent.

(viii) Provision shall be made to require the seller of subject securities to deliver additional securities, if necessary, to insure that the market value of the securities delivered is at least equal to the purchase price of the Repurchase Agreement at all

times.

(ix) No more than thirty-five (35) percent of the Corporation's funds maintained by the Custodian shall be invested in repurchase agreements at any one time.

(3) Notwithstanding any other provision herein, permitted investments may only be placed through firms approved by the Investment Agent.

OTHER REQUIREMENTS OF INVESTMENTS

501. Written Contracts.

In accordance with Section 2925, Subdivision 3(c) of the Public Authorities Law, all investments of the Corporation's funds must be made pursuant to a written contract between the Corporation and its Investment Agent. However, because it is not practical or a regular business practice to impose this requirement on the Commissioner of Taxation and Finance, the Corporation hereby waives this provision solely with respect to the Commissioner of Taxation and Finance when that Commissioner acts as the Corporation's Investment Agent.

502. Security Provisions.

Each investment shall provide for sufficient security of the Corporation's financial interest as stated in Sections 301 and 302 of this Policy. The Investment Agent shall maintain a description of the use, type and amount of collateral or insurance for each investment, the method for valuation of that collateral and of control, and of control, deposit and retention of investments and any required collateral, including, where appropriate, physical delivery or other action necessary to obtain title or a perfected security interest.

503. Investment Operating Procedures Manual.

The Investment Officer is hereby required to establish and maintain an operating procedures manual for investments. Such manual shall be sufficiently detailed to comply with the requirements enumerated in the Guidelines for Investments by Public Authorities issued by the Office of the State Comptroller. 601. Quarterly Reports.

Within thirty (30) days after the conclusion of each quarter of the Corporation's fiscal year. (i.e. April 30, July 31, October 31, and January 31), the Corporation shall prepare and deliver to the Members of the Corporation a report on the Corporation's Investments. Such reports shall include a description of new investments, the inventory of existing

investments and the selection of investment bankers, brokers, agents, dealers or auditors. The report of investments included in the financial report submitted by the Treasurer at Corporation Board Meetings will be deemed to meet this requirement provided such report is submitted at least once each fiscal year quarter.

602. Annual Report.

Within ninety (90) days after the close of each fiscal year, the Members of the Corporation shall approve an annual investment report. Such report shall include the Policy and any supplemental resolutions, the results of an annual independent audit of the investments, the annual investment income record of the Corporation and a list of the total fees, commissions or other compensations by payee for all investment advisors, and an annual consolidation of other material contained in the quarterly reports. This annual investment report, after being approved by the Members, shall be submitted to the Governor's Office, Division of the Budget, Office of the State Comptroller, the Senate Finance Committee and the Assembly Ways and Means Committee. Copies of the annual investment report shall also be available to the public upon reasonable request at the Corporation's main office.

ARTICLE VII

MISCELLANEOUS PROVISIONS

701. Powers of Amendment.

Any modification or amendment of this Policy may be made by a supplemental resolution adopted at any duly constituted meeting of the Members; provided, however, that no such modification or amendment to this Policy shall abrogate the rights and duties of then existing Corporation contracts with third parties. The Chairman or President of the Corporation may make non-material changes in this Policy.

702. No Recourse Under this Policy

(1) No provision in this Policy shall be the basis of any claim against any Member, officer or employee of the Corporation in their individual or official capacity or against the Corporation itself.
