Be it enacted by the Council as follows:

Section 1. Chapter 8 of title 23 of the administrative code of the city of New York is amended by adding a new section 23-804 to read as follows:

§ 23-804 Open space coordination platform. a. Definitions. For purposes of this section, the following terms have the following meanings:

Open space. The term “open space” means a roadway space, park space, or another public outdoor location, including but not limited to a pedestrian plaza or public parking lot, that is made available by the office for use by art and cultural institutions for outdoor performances or as a rehearsal space.

b. Website for coordinating the use of open space for art and cultural programming. The office shall, in consultation with any other relevant agency or office, including but not limited to the department of cultural affairs, the department of parks and recreation, and the department of information technology and telecommunications, create a website that:

2. Facilitates the use of open space by art and cultural institutions;
3. Allows users to search for open space, by location and on a map; and
4. Allows users to search for information about outdoor programs offered by art and cultural institutions

that are coordinated by the office. Such website may also provide information about other events hosted by art and cultural institutions and outdoor events held on private property, to the extent such information is provided to the office for inclusion on such website.
