

COCOA PROGRAMS

Price-Risk Management. Financing. Physical Merchandising.

The StoneX Cocoa Team draws on our deep network and market expertise to help make connections and improve pricing for producers, exporters, importers, traders and end-users alike.

The StoneX Difference

Deep market knowledge – We go out in the field to talk directly with growers, co-ops, importers, and end users about their businesses.

Price-risk management expertise – We understand the price risk you face, and can help manage it with a full set of tools – from basic exchange-traded futures and options to currency price-risk management and trade financing.

Personal service – We work hand-in-hand with companies across the entire supply chain to create innovative yet transparent strategies tailored to meet their specific needs. Nothing more, nothing less.

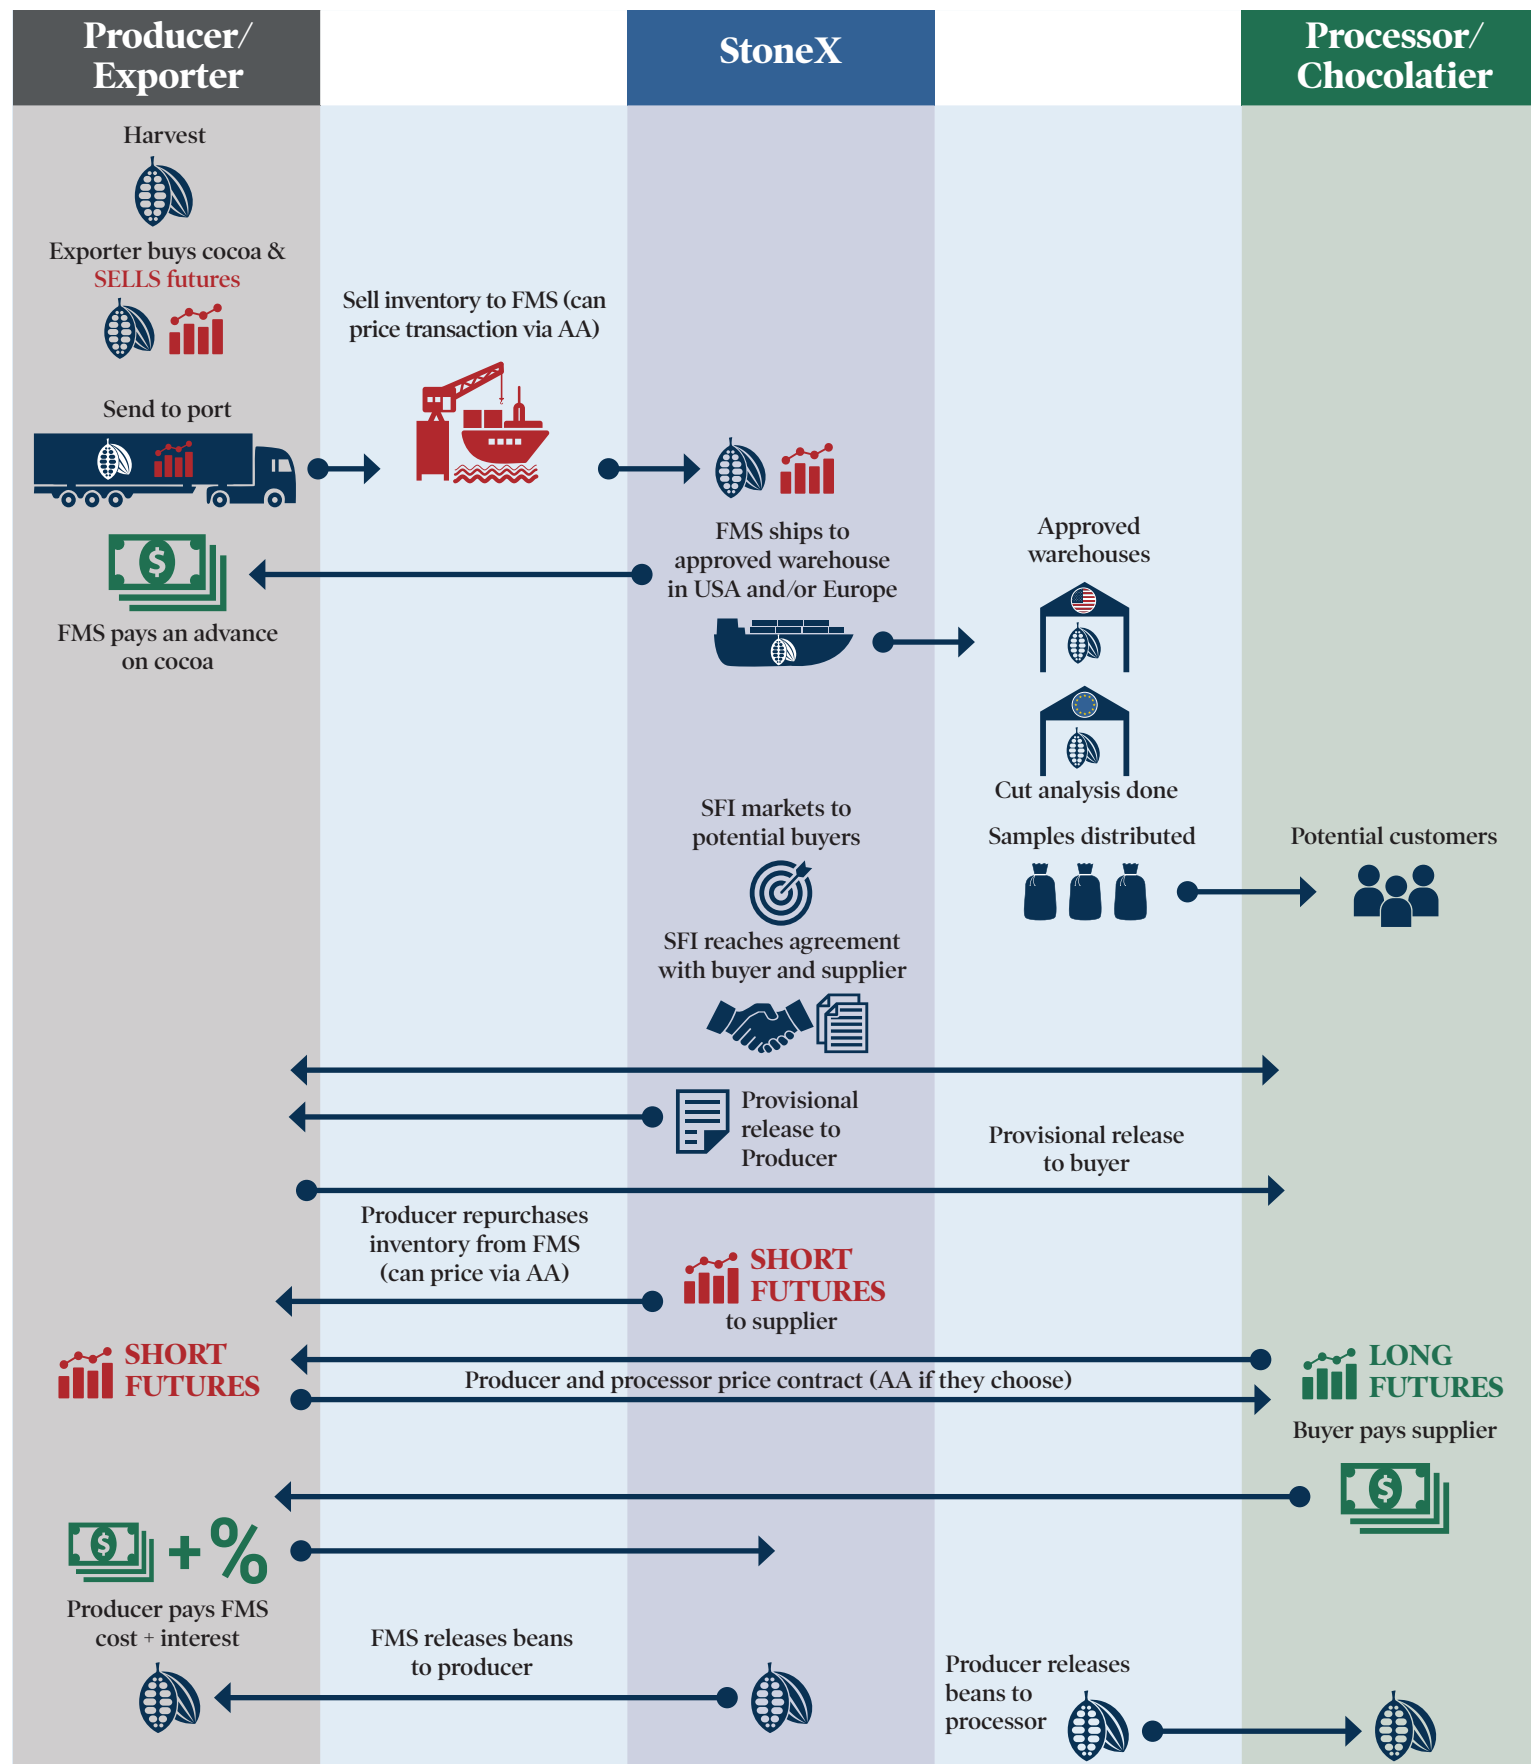

Global Reach – We have over 50 offices around the world, including locations in Miami, Brazil, Colombia, London & Singapore.

Custom Pricing Solutions – We provide hedge price structures within physical purchase and sale contracts that simplify accounting processes.
