

# Outsourced Trading

**Get Global Cross-Asset Market Expertise.  
Increase Trading Bandwidth. Ensure Best Execution.**

Trading • Content • Best Execution • Compliance • Culture

Part of the StoneX network, INTL Fillmore Advisors LLC provides asset managers with a comprehensive outsourced trading function that can deliver more expertise, more market coverage (in terms of products and service) and better execution than traditional standalone in-house or outsourced trading solutions. In our unique model, INTL Fillmore adds resources to your team on a one-to-one basis; we leverage our knowledge of your investment process and operational needs in order to combine and deliver the best elements of the buy-side and sell-side investment and trading functions.

## Offering highlights include:

**Ability to achieve best execution via superior product knowledge, senior industry relationships and direct trading with global banks and brokers**

**Content beyond execution, including thematic research projects, portfolio management risk assessment and hedging, treasury services and commission management**

**Capital Introduction service that connects emerging managers with the most likely investors.**

**CSA Aggregation**

**Trading in Global Equities, Equity-Linked, FX, Credit, Rates, Commodities**

**Deep global expertise, with buy-side and sell-side experience across regions and products**

**Access to a fully integrated self-clearing and introduced Prime Services offering**

**Robust compliance and operational infrastructure to ensure alignment with fund requirements**

Backed by the global network of our parent company StoneX Group Inc., we welcome the opportunity to understand your trading needs and build a relationship that helps you meet those needs in a uniquely exceptional way. To start this process, please call or email us today.
